## 2008 NMSEA Solar and Sustainable Directory

Groups	Categories with Description	Services	
Appliances	Electricity	Energy-Efficient Electric Appliances	Research, Manufacture, Distribute, Design, Sell, Install, Repair, Residential, Commercial
	Lighting	Compact Fluorescent Lightbulbs, Skylights, Daylighting	
	Ovens	Solar Ovens	
	Thermal	Energy-Efficient Air and Water Heating Appliances	
	Toilets	Composting Toilets	
	Water	Water-Saving Appliances	
Construction	Commercial	Design GreenBuild GreenRemod Appliances ConstMat Electric FinishMat Thermal Water	Architect or designer Constructs <u>new</u> sustainable buildings <u>Remodels</u> residences sustainably Includes energy efficiency appliances Uses sustainable const. materials Includes solar electricity Uses sustainable finish materials Includes solar heating Includes water catchment/greywater
	Residential		
Construction Materials	Adobe	Adobe Blocks	Research, Manufacture, Distribute, Design, Sell, Install, Repair, Residential, Commercial
	Cob	Cobb	
	ICF	Insulated Concrete Forms	
	Alternative Mat's	Alternative Materials	
	Rammed Earth	Rammed Earth Construction	
	SIP	Structurally Insulated Panels	
	Strawbale	Strawbale	
	Windows	High-Efficiency Windows	
Education	OtherInst	Individual Classes	Passive Solar Design, Electricity, Fuel, Thermal, Water, Materials, Efficiency, Cooking, Sustainable Living, Sustainable Development
	Semester	College-based Institution	
	Web	Web-based Instruction	
	Web-Info	Web-based Educational Material	
Efficiency Consultants	Air Quality	Air Quality Analysis and Problem Mitigation	Consult, Audits, Ratings, Tax Credits, Residential, Commercial
	Electricity	Electricity Efficiency Services	
	Lighting	Daylighting and Lighting Services	
	Thermal	Thermal Efficiency Services	
	Transportation Fuels		
	Water	Water Efficiency Services	
	Whole House	All House Systems Integrated	
Efficiency Devices and Controls	Electricity	Electricity Products	Research, Manufacture, Distribute, Design, Sell, Install, Repair, Residential, Commercial
	Lighting	Daylighting and Lighting Products	
	Thermal	Thermal Products	
	Transportation	Transportation	
	Water	Water Products	
Electricity	Hydro	Microhydro Generation	Research, Manufacture, Distribute, Design, Sell, Install, Repair, Residential, Commercial
	PV	Solar Electricity, Photovoltaics	
	PV Mfg Eqp	PV Manufacturing Equipment	
	Wind	Wind Generation	
Engineering	Electricity	Electrical Engineering	Research, Consult, Plan, Design
	Energy	Energy Engineering	
	Lighting	Lighting and Daylighting	
	Mechanical	Mechanical Engineering	
	Thermal	Thermal Engineering	

Groups	Categories with Description		Services
Engineering (cont'd)	Transport	Vehicles and Transportation Fuels	
	Water	Water Engineering	
Finance	Insurance	Insurance for Green Property	Bank Other
	Investments	Green Investing	
	Loans	Loans for Solar Additions, Installations	
	Mortgages	Green and Energy Efficiency Mortgages	
Fuel	Biodiesel	Biodiesel	Research, Manufacture, Distribute, Sell
	Ethanol	Ethanol Fuels	
	Electricity	Electricity	
	Hydrogen	Hydrogen	
	PV	PV as a Transportation Fuel	
	Veggie	Vegetable Oil	
Finish Materials	Bamboo	Bamboo	Research, Manufacture, Distribute, Design, Sell, Install, Repair, Residential, Commercial
	Natural Prod	Natural Products	
	Wall Coatings	Environmentally-Friendly Wall Finishes	
	Window Covers	Efficient Window Coverings	
Real Estate	Appraisals Sales of Green-built Dwellings Sustainable Real Estate Development Green Real Estate Investments		
Recycling	Recycles	Aluminum Batteries CarpetPad CFLs Computers Foam Glass Materials Metal Paper Plastic Styrofoam	Aluminum and Aluminum Cans Batteries Carpet Padding Compact Fluorescent Bulbs Computer Equipment Carpet Foam Glass Products Construction Materials Scrap Metal, Cans Paper and Cardboard Plastic Bags and Other Plastics Styrofoam
Thermal	Air	Solar Air Heating	Research, Manufacture, Distribute, Design, Sell, Install, Repair, Residential, Commercial
	Cooling	Energy-Efficient Air Cooling	
	Geothermal	Geothermal Heating/Cooling	
	Radiant	Radiant Floor Heating	
	Water	Solar Water Heating	
	Water-Pool	Solar Pool Heating	
Vehicles	Bicycle-Electric	Electric-powered Bicycles	Research, Manufacture, Distribute, Design, Sell New, Sell Used, Repair
	Bicycle-Gas	Gas-powered Bicycles	
	Electric	Electric Vehicles	
	FlexFuel	FlexFuel Vehicles	
	Hybrid	Gasoline/Electric Hybrid Vehicles	Research, Manufacture, Distribute, Design, Sell, Install, Repair
	Veggie	Vegetable Oil Vehicles	
	Bike-El-Conv	Kits to Convert Bikes to Electric	
	Gas-El-Conv	Kits to Convert Gas Cars to Electric	
Veg-Conv	Kits to Convert Biodiesel to Veg. Oil		
Water	Catchment	Water Catchment	Research, Manufacture, Distribute, Design, Sell, Install, Repair, Residential, Commercial
	Conservation	Water Conservation	
	Greywater	Greywater Systems	
	Irrigation	Water-efficient Irrigation	
	Landscaping	Xeriscape, Landscape Design	
	Pumping	Water Pumping Applications
