

Exhibitor Options

Sponsored by the New Mexico Solar Energy Association, this year's Solar Fiesta takes place at the Albuquerque Academy, a lovely campus in the Northeast Heights. Graceful tree lined boulevards or an elegant atrium and dance space provide the setting for your exhibit!

	<h3 style="text-align: center;">Indoor Booths</h3> <p>The Indoor Booths will find a site conveniently close to the outdoor and workshop action but provided with air conditioning during the month of August in the Simms Atrium and Dance Rehearsal Hall. Only 20 spaces are available. Each space is provided with a table and 2 chairs. Outlets for electricity are available. Booth space will be assigned on a first come basis, but Solar Fiesta Sponsors will be given first choice.</p>
