

Sponsored by the New Mexico Solar Energy Association

Food Vendor Information

Greetings! Solar Fiesta! Is an annual renewable energy and sustainable living fair that brings in about 2000 people over a two day period. As usual, where there are people, there is the need for food and drink. Food vendors who would like to participate are charged \$200 which includes a space near some picnic tables under the trees a table and two chairs. More tables can be provided with prior negotiation. You can bring a mobile unit and we will have parking available.

About 35-40% of the people who come to the Fiesta are vegetarian, so we encourage our vendors to have one non-meat lunch option.

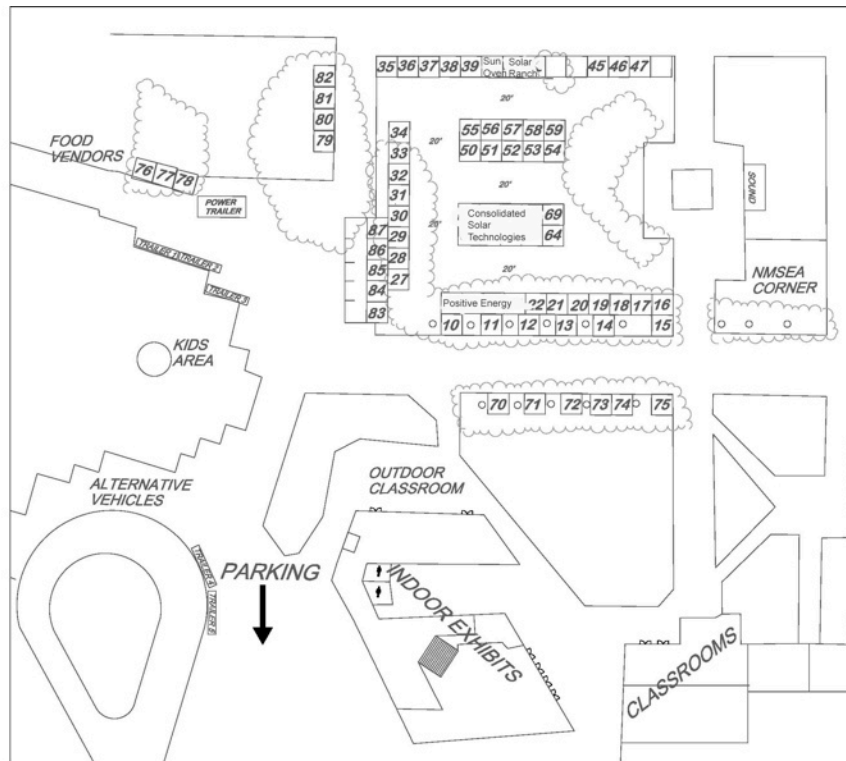

The exhibitors set up at 8am, gates open to the public from 10am to 5pm Saturday and Sunday. Having Coffee and doughnuts available at 8am could be profitable, and lunch items by 10:30am through 3pm.

This is a captive audience as only two to three food vendors are usually allowed and it is inconvenient for the attendees to go anywhere else. Since this is an environmentally responsible organization, we prefer no Styrofoam cups or plates be used. Recycle bins are stationed around the grounds.

All food vendors must have standard NM licensing. As you can see from the photos attached, the heavy shade makes the need for a canopy unnecessary, but if one is used it must meet the California Fire Codes. Fire extinguishers must be on hand. The Fire Marshall will inspect the grounds on Saturday morning prior to the event.

Food Vending Area
begins on the left side of
the photo.

Join us August 27 and 28th at the Solar Fiesta!

Booth Order Form

NMSEA Members receive a 10% discount on booth space.

Non-Profit organizations: 10x10 outdoor booth \$35 (space only) with table/2 chairs \$50
